

SILVER ARROW AUTO SACV8534TA4

SILVER ARROW AUTO SACV8534TA4

Silver Arrow is our premium quality all-aluminum trailer from Pace American, the nation's premier manufacturer of enclosed auto and cargo trailers.

Available as 8.5' wide bumper-pull tag models, their stylish appearance is a result of integrated aluminum components like perimeter tube rails on top and bottom, 16" on-center posts for floor, ceiling and walls, cast front corners, and .030 aluminum exterior panels attached with a strong 3M VHB(tm) adhesive for a sleek rivet-less exterior.

Racers will appreciate standard features such as a 48" side door, heavy-duty rear ramp door, 24" stoneguard, floor mounted D-rings, and a non-powered roof vent. A wide variety of professionally installed options make Silver Arrow an easy choice for someone looking to step up to an aluminum trailer.

No other aluminum trailer manufacturer can match our over 20-year reputation for quality. A Five Year Limited Warranty and industry leading customer service come standard with each and every Silver Arrow to reflect that commitment. Pace trailers are designed and built by racers, for racers. Let us build your dream trailer today!
